

Dear ERFAN B. [REDACTED]

Congratulations! Your application has been received and found acceptable for Faculty of Health Sciences, Physiotherapy and Rehabilitation - TR for Fall 2022-2023 term upon the fulfillment of the below conditions.

This letter is conditional and CANNOT be used for visa purposes!

The documents required for registration shall be apostilled by related government authorities and translated if they are not in Turkish or English.

1. Original High School Diploma or Certification
2. The original copy of the transcript
3. Original Passport and an official ID
4. Proof of Payment (The bank receipt of the tuition fee payment.)
5. The original copy of language proficiency certificate during the application if available.

The final registration of the applicants who do not submit their "**certificate of equivalency**" will not be completed.

An original acceptance letter will be provided as soon as the below requirements are completed:

- The receipt of advanced tuition payment! Please note that payment is only refundable if applicant's visa application is rejected. Otherwise the advanced tuition payment is non refundable. The advanced tuition payment fee will be deducted from the total tuition payment at the time of registration.
- The applicant is required to share the final High School Diploma meeting the minimum application requirements. Final/Original High School Leaving Certificate and transcripts will be required for final acceptance/registration.
- For GCE A level students: A minimum 2 A Level subjects with grades of D and above will be required. Otherwise, acceptance/registration will not be possible. An acceptance letter will be provided upon submission of original Advanced Level results.

Pre-Acceptance Letters will not be valid for applicants who do not complete payment as of the mentioned date below.

In order to identify the payment please make sure that application number and the name of the student is mentioned on the fund transfer documents.
